Letter No. 965 of 27.12.30 from the Muzrai Commissioner requesting sanction to lease out the Inam land belonging to the 'Sri Shankaradevar' at Bikkali in Koppal Taluk for a period of 30 years as proposed by the Deputy Commissioner.

1) On the auditor's report of 30.6.30 - the Inam lands of the Institution were previously fetching a cash of Rs 190/- together with 44 Candies of paddy. This time when the lease was put up for auction, it is seen that there was no offer in respect of S. No. 69 but in respect of the remaining lands there was a total offer of Rs 85/- in the shape of cash together with 18 Candies of paddy. The realisation is reported to be hardly sufficient to cover the expenditure on account of several devar in the temple.

2) With a view to secure greater realisations from the said Inam lands the lease of lands for a period of 30 years is proposed. (Vide S. No. 100 report of 18.10.30.)

In forwarding herewith the vernacular records received with the Madur Deputy Commissioner's letter No. A.5-1698-30/115 dated 8th December 1930 (copy enclosed) re: the lease of the lands belonging to the Sri Shankaradevaru at Bikkali in the Koppa Taluk, I have the honor to state as follows:-

It is reported that the marginally noted lands of

leases expire at the end of 1929-30, but that the bids were not accepted as they were too low. It is also stated that no bids were received in respect of S.No. 69 which is a wet land measuring 9 guntas. The ryots are reported to be unwilling to take up the lands on short term leases in the taluk tracts and are stated to allow the lands to deteriorate in such cases. It is seen from the records that the present bids will hardly be sufficient to cover the expenditure for performing the sevas in the temple. The Deputy Commissioner accordingly recommends that the lands in question may be leased out for a period of 30 years. It is also reported that better bids will be secured and the lands will be improved and the lands will be improved if they are leased out for

marginally noted that lands of the above institution are auctioned for leasing the wet lands for 5 years and the dry for 10 years and that the present sale is not accepted for the above reasons. It is reported that no bids were received in respect of the 5 guntas assessment 23-0-0. The rows are not coming forward to take up the lands on short term lease of 5 to 10 years, in which case the lands will be left to deteriorate and the revenue will be lost. The Sub Division Officer further reports that the present sale is not accepted because the amount which is realized would not be enough to cover the expenditure for period of 5 years. He therefore recommends to lease out the lands for 5 years.

Under the circumstances explained above, I request your sanction and would be accorded to lease the lands for a period of 50 years.

Yours faithfully,
